Dates: 21/07/23 School closes for Summer holiday at 1.30pm

Reminder

Just a reminder that we will be closing for the summer holidays on Friday 21st July 2023 at 1.30pm.

This Week

With the end of term nearly in sight, we have been preparing students for moving to the next stage of their school career. This week students moved into their new English and maths groups and today students have moved into their new form groups after break. Many changes have happened but hopefully students will have next week to settle into their new groups and meet their new teachers (if they have changed) thus preventing any worries for when we return in September.

Luckily the weather was on our side for our annual sports day yesterday. Students and staff had a fantastic time and the winning team was Wembley for the second year running. There were definitely some very tired students and staff at the end of the day. A big thank you to all the staff who were involved in the day, without you the day would not have happened and an extra special thank you to Mr Threadgold, who planned the whole day.

End of Year reports have been sent home today via Parent Mail, hope you are all as pleased as we are with your child's progress for the year.

Reports

End of Year Reports for students have been sent via Parent Mail today

School Reports

Reminder about payment for school lunches

Just a reminder for parents/carers who have children who have school lunches to please log on to your Parent Pay account and settle any amounts owing before the end of term.

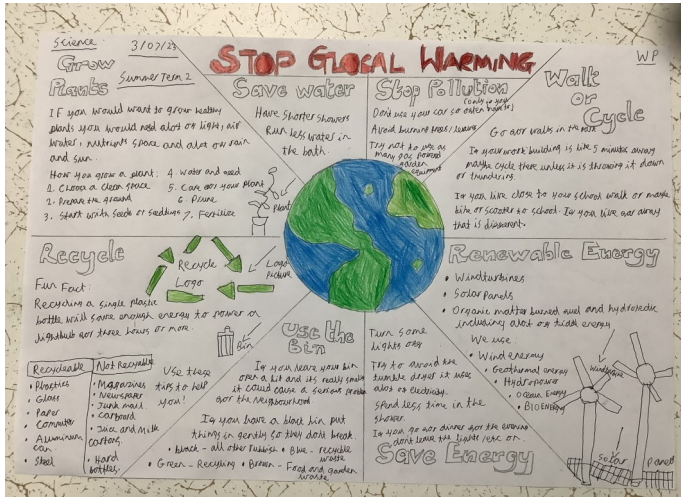

Thank you!

Science- Global Warming

This term in science students have been looking at the causes and effects of the greenhouse effect and global warming. All students produced a poster to show how we can all work together to reduce these. Here are a few examples of the amazing work produced.

Fantastic!

Softball Tournament

On Wednesday 28th June, Ash class attended a softball tournament at Newcastle and Hartshill Cricket Club. Students demonstrated fantastic teamwork and perseverance during the event.

This was epitomised by H and William, who were able to pluck up the courage to join up with another team, short of players, putting their allegiance and friendships aside in the interest of sportsmanship and competition. So much so two members of staff from other schools highlighted their willingness to help others.

This feat did not go unnoticed upon their return to school, as both students were the first to be awarded the Gold Aspire Award, for those that demonstrate each characteristic of the ASPIRE curriculum.

Fantastic, well done H and William!

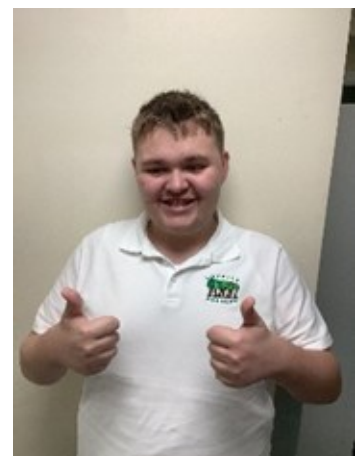

Running Achievement

On Friday students were put through their paces during our weekly Couch to 5K enrichment activity.

Despite the rain and high demand of the work out, Jack (Oak class) persevered through each of the running sections running for 90 seconds consistently even when it got tougher towards the end!

Jack continued and despite being tired he pushed through. Following the workout Jack said, 'I was above average today'.

Well done, Jack!
