## This Week

Selected Year 11 students sat their last GCSE exam on Wednesday. Huge congratulations to the students who have sat them; they are young people who we are very proud of, and we are sure their parents/carers are too.

Spruce class have completed their vocational week, experiencing the world of work and have had a marvellous time.

As we are predicted that the warmer weather is hopefully going to continue we would like to remind you that students should be prepared and sun safe: sun hats for outdoor activities, sun cream applied in the morning and brought to school to reapply if needed. Also students should have refillable water bottles so they can refill them during the day to stay hydrated. Thank you for your co-operation and helping to keep our pupils safe.

## Rosewood IGD Zoom webinar

Students in Rosewood joined a national careers webinar from IGD (Institute of Grocery Distribution), learning about careers in food manufacture, supply, research and retail.

Students found out about supply chains, making food, marketing and management with speakers from Sainsburys, Tesco and IGD. It was great to hear all the ideas from our students about skills and qualities as well as finding out about all the hard work that goes on behind the scenes.

## Crime Solved at the Coppice

Cherry solved the crime of Mrs Wells' stolen Crunchie stash.

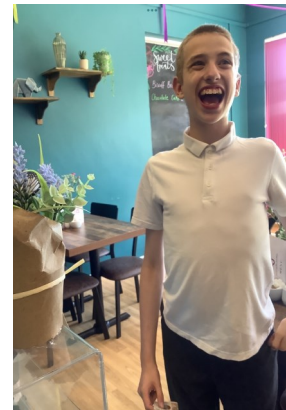

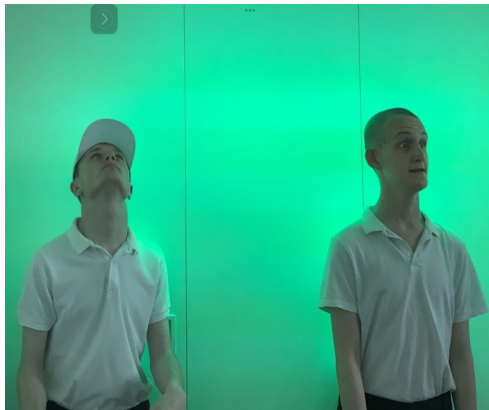

After weeks of analysing pens, drinks, fingerprints and fibres left at the school, the criminal was apprehended.

Well done Cherry!

## Spruce Class Vocational Week

This week Spruce class have been experiencing the world of work. We really enjoyed teaming up with Caudwell Children and having a tour of their site in Keele. Students also visited Community Junction to see how their café was going as well as the usual Tuesday Café at school. Students also visited a local supermarket to buy ingredients for a fabulous picnic prepared by themselves.

## Rookie Lifeguard Achievement

Emily, a member of our Coppice family, has achieved her Rookie Lifeguard Bronze Stages 1 and 2 from the Royal Lifesaving Society UK. She has been working extremely hard over a number of weeks attending lessons at a pool in Wrinehill.

What an amazing achievement Emily!

## Lions Family Fun Day

There is an event on Saturday 24th June at Foxfield Railway for the families of children and adults with Special Needs. The objective of the event is to provide a safe environment for these families and is not open to other groups. The event is free for those that wish to attend. Entry is by leaflet only, which has been given to your child to bring home today.
