Christmas Jumper Day

Carol Service

This will take place at St Andrews Church on Thursday 15th December at 11.15am. It will feature performances or readings by all students. Parents, Carers and family members are warmly invited to attend.

Forest School—Elm Class

On Monday, Elm were joined in Forest School by Duncan from Staffordshire Wildlife Trust as part of the Wilder Stoke, Wilder Newcastle project.

We had a busy time creating creatures and faces with clay and chalk, fire lighting, making hot chocolate and building our very own reindeer. Through the day we used many different tools including flint and steel, bow saw, bodger and loppers.

We worked together as a team, showed great resilience and achieved great things.

Christmas Fayre

Christmas has finally arrived here at the Coppice. Our reception area is looking extremely festive.

It was so nice to see so many Parents, Carers and family members at the Christmas Fayre on Wednesday.

We hope you all enjoyed our event and managed to grab yourself some treats or presents from our stalls.

A massive thank you to you all for your kind donations, without your continued support events like this could not take place. Also thank you to our amazing staff and students who have put in so much time and effort into planning and preparing for the event.

We raised a fantastic **£752.60**

Thank You

I would just like to say that I had the pleasure of having a stall at the Christmas Fayre on Wednesday. Through your purchases and kind donations, I raised a £110 for Pink Sisters and Misters. Thank you so much! This can buy ten chemotherapy care packs for anyone going through treatment.

Issue of the week

The week beginning 5th December we will be discussing the following Issue of the Week during tutor time.

Continue the conversation at home...

Do we underestimate the impact of food banks?

Do you know where your local food bank is and what it provides?

Are people more generous in times of need? Why/why not?

Whose job is it to tackle food poverty? Explain your answer.
