Do pens use the same dyes as sweets

Key stage 3 groups have investigated whether felt tip pens have the same dyes as their favourite sweets - Skittles. Ask them what they found out - you might be surprised.

Elm and Birch Classes visit to Brampton Park

Elm and Birch Visit to Brampton Wednesday 24th May.

We went to Brampton on Wednesday because we have been learning about healthy eating and exercise. We played games and had a healthy picnic. Then we went to the shop to treat ourselves to an ice cream because it was so warm. We know that the ice cream was a treat and we can't have it all the time. We should have healthy snacks most of the time.
