NSPCC Number Day

Today students and staff took part in Number Day to help raise funds for the NSPCC. Everyone took part in various number related activities throughout the day. Students from Rosewood and Oak have been taking photos during the day and will be writing up an article including how much we have raised which will be published in next week's newsletter.

Food Glorious Food

Students in Gateway Art and Design have been working really hard this past few weeks. They were given the theme 'Food Glorious Food'. They were challenged to draw or make (using paper mache) some doughnuts but they had to look as real as possible.

They look good enough to eat. What do you think?
