We do hope you had a restful and enjoyable half term.

It was a spooktacular start to the new half term on Monday with some amazing Halloween outfits from staff members.

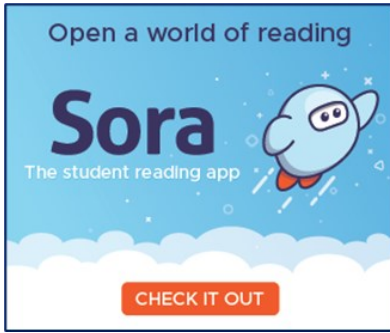

We are looking forward to another exciting half term ahead with many activities planned including visits and of course lots of learning.

This week we have launched our Sora app, our fantastic online library, which students can access from home. A guide was sent via Parent Mail and student log-ins were sent home with students yesterday. Keep an eye out for our Sora Superstars.

Today Key Stage 3 students visited the National Arboretum as part of the Humanities curriculum and as part of our Cultural Events calendar. Everyone had a fantastic time. More details in next weeks newsletter.

Enjoy the bonfire weekend and please stay safe.

Sora Superstars

Our first 3 Sora Superstars, who have all read for over 2 hours in total since logging on to the app on Monday, are:

Eli (Ash class) who has read for 2 hours 54 minutes!

James (Oak class) who has read for 2 hours 36 minutes.

Faith (Holly class) who has read for 2 hours 22 minutes.

We are also starting a reading club on Thursday lunchtime next week.

Uniform

Due to the increasing living costs and our proactive approach to addressing the financial burden of uniform costs, we are encouraging families to donate any unwanted uniform to the Academy. This can then be reused by others who are in need of specific items or whole uniforms. Items can be dropped off at reception for anybody wishing to donate. For anybody wishing to make the most of this cost-saving initiative, please email office@coppice.set.org with your child's name and items of uniform required and we will do our best to try to help.

Thank you to those Parents and Carers who have already donated uniform.

SCHOOL UNIFORMS

Sora

It's here! Our new online library has finally launched within school! Students and staff have all been guided through using the new app, and are starting to use and enjoy the wide range of literature we have to offer! Information regarding accessing the app at home has been sent out to Parents and Carers this week with students, along with a guide that has been sent out.

Issue of the week

The week beginning 7th November we will be discussing the following Issue of the Week during tutor time.

Continue the conversation at home...

Should everyone be able to vote at 16?

Do you think 16- and 17-year olds know enough to vote on key issues?

Would you use the vote if you had it from the age of 16?

What would you like to see in schools to help you learn about politics?
