21/07/23

School closes for Summer holiday at 1.30pm

Happy New Year!

Welcome back, we hope that each of you had a wonderful break and enjoyed special time with family and friends. Time away from our everyday tasks can be remarkably restorative. We had a fantastic Autumn Term with many highlights, but the visit to the Kings Hall to watch Goldilocks and the Three Bears Pantomime and our Church Service and Christmas Dinner, sitting all together in the hall, stand out as it was the first time in nearly two years that these events have happened due to Covid. Thank you to all the Parents/Carers, Grandparents and family members who joined us at the Church. It certainly got us into the Christmas spirit!

Now 2023 has arrived, and a new set of challenges are sure to arrive but for now we need to get back into our normal routines as our students return with renewed enthusiasm and vigor.

Curriculum Content Documents

Curriculum Content Documents have been sent via Parent Mail on Tuesday 3rd January for your child's class for this term.

Upcoming Covid Vaccinations

Just to let you know the Immunisation Team will be visiting the Academy on Tuesday 17th January 2023. Consent forms have been given to students today please return by Wednesday 11th January if you wish for your child to be vaccinated.

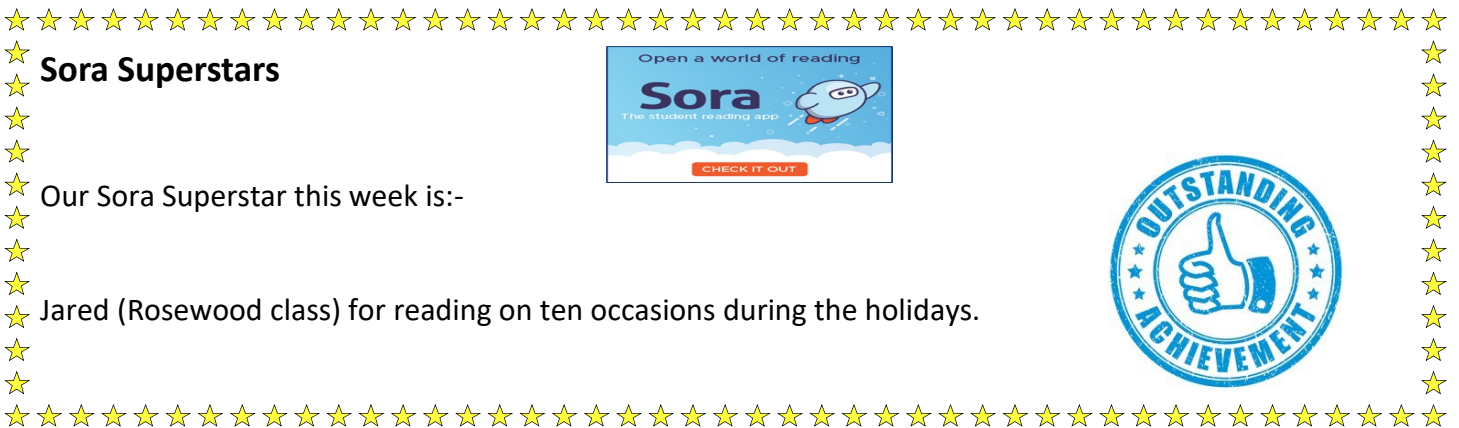

Visit from MP Aaron Bell

Yesterday Holly and Cherry classes enjoyed a visit from Newcastle under Lyme's MP Aaron Bell. Following on from last terms topic of British Values as part of the Citizenship Award. He came in to explain his role as a Member of Parliament and answer some probing political questions from our young people. He answered them all and was impressed with the interest they showed.

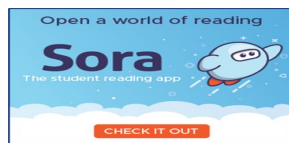

Holly Science

This week in science Holly class discussed how the heart works and took part in a dissection lesson to discover the four chambers, heart valves and strings, arteries and how the left side is much more muscular. They were all amazing. Next week is kidney dissection.

Sora Superstars

Our Sora Superstar this week is:-

Jared (Rosewood class) for reading on ten occasions during the holidays.

Issue of the week

The week beginning 9th January we will be discussing the following Issue of the Week during tutor time.

Continue the conversation at home...

Will science solve the world's problems?

How do we use science in everyday life? Explain your answer.

Which of the scientific discoveries discussed today have had the greatest impact?

If you were a scientist, which problems would you try to solve first? Explain your answer.

Trampolining Open Day

TRAMPOLINING OPEN DAY

For children and adults with physical and learning disabilities

3 coaches offering 1:1 support over 3 trampolines. Also a bouncy castle, chill out zone and sensory play area

Sunday 15th January 2023
