## This Week

It has been another busy week here at the Coppice, albeit quieter now our lovely Year 11's have left. On Monday and Tuesday we welcomed new students who will be joining us in September for transition. New students have enjoyed their transition days with us and we look forward to welcoming them in September.

On Thursday we held our Summer Fayre which was very well attended. We hope everyone managed to get some great purchases from our stalls and enjoyed the afternoon. The most popular stall was splat the teacher, which students and staff thoroughly enjoyed. Donations from Parents/Carers, staff and students came in thick and fast over the past few weeks. A great big thank you to everyone for supporting our event, we couldn't have done it without your continued support. We managed to raise an amazing £507.35.

## Sports Day

Remember the date– Thursday 13th July

Next week The Coppice will be holding its annual sports day event as teams compete and challenge Wembley for the prized sports day crown.

Students in Lords, Twickenham, Wembley and Wimbledon will compete across a number of events throughout the day including:

- 100m Sprint
- Tug of War
- Javelin
- Shotput or Welly Wang
- Hurdles
- Quiz
- Football/Rounders Event

Students will need to come to school in their PE kit and bring sun cream, plenty of fluids and a hat.

## Dancing Achievement

Nikayla a member of our Coppice family completed a dance show last weekend and received medals for her participation and fabulous performance. Below is a report from Nikayla.

I have been dancing for 4 years now and I have love every second of it. All my dance shows I have loved.

I was 12 when I started and nervous to go on stage but now I am 15 I love being on stage. My show I just did was amazing I thank my dance teacher Miss Jenny she is the best dance teacher I have ever had. I had 4 dances to do in this show I was very tired at the end but it was worth it . The 4 dances I had to do was:-

Tap = Irish

Jazz = Africa

Musical theatre = London

Contemporary = Ukraine

All the dances I had to do were so hard but it way amazing. At the end of dances I get medals and shirts with the school on it and the name of the dance.

### Should there be more rules at live shows?

Why do you think there have been more problems at live shows recently?

Do you think people **need** rules to help them behave in the right way? Or is this **taking away the fun**?

Are there any rules that you think **ought** to be put in place at live shows to **improve the experience**?
