School closes for Summer holiday at 1.30pm

We hope you all had a fantastic half term and students are ready and refreshed for the final term. It most certainly seems like summer has arrived.

Please can we remind all parents and carers that due to the warmer weather students should be prepared and sun safe. Sun hats for outdoor activities, sun cream applied in the morning and brought to school to reapply if needed.

Also students need to stay hydrated, please ensure your child has a refillable water bottle that can be refilled during the day.

Thank you for your co-operation and helping to keep our students safe.

Newcastle in Bloom Painting Competition and Ceremony

On Wednesday, we visited Keele Hall for the Newcastle in Bloom Painting Competition and Ceremony. With over 700 entries from 16 schools this year, we were really surprised and excited to receive six prizes. It was great to see our paintings framed and displayed. After a short speech from the organiser's, students collected their awards from the Mayor of Newcastle, had drinks and pastries and were able to look at all the entries. Please follow the link to see all the paintings from the competition on the council website. If you are at Jubilee 2 or Castle House, they will be on the big screens too.

All the winning Coppice entries have been selected for display when the Britain in Bloom judges visit in July.

Congratulations, Dan, James, Lauren, Oliver, Lucas and Maisy.

Humanities

Students visited St Andrew's Church in the Westlands this week as part of their religious buildings topic. Students listened brilliantly to the speakers at the church and asked some fantastic questions. Students also looked at different features and functions of the church. We would like to extend our thanks to the team at St Andrew's for accommodating us during the week.
